FEDERATED'S VALUE DIFFERENCE®

✓ Major Client Service Standards

- **Risk Control ReviewSM** — A review to assist with identification of hazards and help with loss prevention and cost containment.
- **Financial Protection ReviewSM** — A review of business life insurance, business continuation, and individual retirement needs.
- **Annual Client ReviewSM** — An annual review of coverages and changes affecting insurance needs.
- **Client Continuation PlanSM** — Delivering the renewal and confirming our commitment to your insurance protection.

579 Marketing representatives serve businesses across the nation

✓ Distribution system of highly trained, local marketers

✓ You're not on your own — we're here to help

- Risk consultants are available in person or through our Risk Management Resource Center to:
 - Assist in identifying and analyzing your risk management needs.
 - Help determine the most appropriate techniques for addressing those needs.
 - Help implement effective procedures and monitor results.
 - Provide consultation service for regulatory and compliance issues.
- Federated clients can also access support materials through mySHIELD®, a personalized online destination for risk management resources.
- Federated clients can also request risk management materials by phone through the Risk Management Service Center at 1-800-838-1760 or e-mail: RiskManagementMaterials@fedins.com. You can also contact the Federated Client Contact Center at 1-888-333-4949.

✓ Federated's Contractor Shield® coverages designed specifically for electrical contractors.

✓ Fast, fair claims service by highly trained adjusters, appraisers, and rehabilitation specialists.
